

MIND YOUR STEP - Tips for a save and pleasant trip

Keep in touch with family and colleagues about your travelplan

Program emergency numbers in your phone and always keep it charged with you

Check the safety status and requirements of your destination

In airports: check-in quickly and move to the secured areas, minimise the time spent in the public area

Put a cross through any copy of your passport and score out the social security number

Get a hotelroom at the 2nd floor, close to the emergency exit and block your door

Be alert around religious occasions and crowded places

Have a plan to take action when an incident occurs

Follow media reporting about the country and region you are in

Travelling by car? Always wear seatbelts, check the car, plan a safe route, bring water

Let the hotel call a trustworthy taxi, be sure you get in the right taxi

Photograph the license plate and driver explicitly and send the picture to a colleague

Emergency?

Directly contact the alarm center, your crisismanager or local contact

Inform the Ministry of Foreign Affairs
+ 31 247 247 247

Provide the important information and follow the instructions

Make sure we can reach you at all times

Wear cheap sunglasses, a plastic watch and use a cheap phone

Wear culturally appropriate clothing, so you will not stand out in a crowd

When travelling alone, wear a (cheap) wedding ring
